

ALLEN BENEDICT O. ENDAYA

WEB DEVELOPER / GRAPHIC DESIGNER

Malvar, Batangas, Philippines | allenendaya43@gmail.com | onlyteyl.github.io

To leverage my passion for web development and creative design in crafting responsive websites and impactful visuals. With proficiency in Figma, Canva, HTML, CSS, JavaScript, SQL, and PHP, I aim to contribute innovative solutions that merge creativity and technology. I strive to deliver distinct, engaging, and meaningful digital experiences while continuously growing as a professional in the IT field.
